

# I NEED TO STAY HOME IF...

I Have a Fever	I Am Vomitting	I Have Diarrhea	I Have A Rash	I Have Head Lice	I Have an Eye Infection	I Have Been in the Hospital
						
Temperature of 101F or 100F with other symptoms	Have Vomitted within the last 24 hours	Within the Last 24 Hours	Body Rash and/or Itching	Itchy Head, Active Head Lice	Redness, Itchy, and/or crusty drainage from eye	Hospital Stay and/or ER visit within 24 hours

## I May Return to School When...

I have been fever free for atleast 24 hours without the use of fever reducing Medicine, i.e. Tylenol, motrin, etc	I have not vomitted within the last 24 hours	I have not had diarrhea within the last 24 hours	I have been treated for my rash and have a Dr. note stating it is safe to return. Note: If rash is Hand foot and mouth or Chicken Pox child may return ONLY when blisters are healed (no longer puss filled)	When I have been treated at home and all eggs and lice are gone. Must be checked by either director or teacher before cleared to return.	I have been seen by a Dr. and have a note to return to care.	I am released by Dr. and have spent at least 24 hours at home.
